PARISH MAINTENANCE We have a new maintenance register system in the parish office, with that in mind, could you please assist us by reporting anything you notice in or around the parish that may need attention. This will also help greatly with our OHS obligations. If you are a retired tradesperson or have a particular skill and would like to help out from time to time on small projects please also advise the parish office. There are always 'those little things' that need a minor repair or paint patch up. Your help will be most appreciated.

PARISH NEWS

PASTORAL CORNER: Last week members of our parish met with parishioners from St Anthony's, Kingscliff to prepare Christmas craft for a Community Day to be held in Jack Evans Boat Harbour, Tweed Heads on Saturday 7th December. It runs from 2pm until 5pm. Both parishes will be working together on that day and we are asking for volunteers to help run the stall. You would only be required for an hour shift and there would be someone with you for support. The idea of the day is for all churches in the area to come together to offer free activities to our community remembering the true meaning of Christmas. If you could help out please contact me at the Parish Office. **Kathy Twohill—Pastoral Associate**

OUR CROSS SHAPED SHOP: You will find this at the back of the church on your left as you walk in the main doors. This has some new items coming, so keep an eye on this over the next couple of weeks. There are some great gift ideas for Christmas and some very unique rosaries. This is run on a honesty system for payment - all items have their prices marked either on the front or back. There is a slot for payments which is marked with a red arrow.

Kingscliff and Tweed Parishes joining together to prepare craft for Border Council of Churches Fun day in the park. A very productive day.
